Section 2.03.01

(B) Eligibility to Seek or Hold Office.

(1) Any person who holds elected public office as a state constitutional officer, state legislator, member of Congress, or a member of a county board of supervisors representing a county of 700,000 persons or more, or a full-time staff person employed or appointed by any of the above listed public officers, or any person who has announced his or her candidacy or has filed nomination papers for such public office, whichever occurs first, shall not be eligible to seek or hold an elected office of the Committee. Upon the occurrence of one of the above conditions with respect to any officer, a vacancy shall exist in the office held by that officer, which shall be filled according to subsection 2.03.02(B) of these bylaws. For purposes of this section, the term "staff person" shall not be construed to apply to civil service employees of federal, state, or local governments.

(2) No person may be elected to the same regular elected office of the Committee for more than two terms except as provided in Section 2.03.01(B)(3). Notwithstanding subsection 2.03.02(B) of these bylaws, this subsection shall also apply to any person who has been appointed or elected to fill an unexpired term or a vacant office, if the person so appointed or elected serves for more than one-half of the unexpired term.

~~(3) Any person holding regular elected office of the Committee as of the date of this amendment may seek an additional term at the spring convention of 2023.~~

(4) In order to run for an additional consecutive term, the Chairman shall have given written notice of the intent to do so to the Secretary of the Committee not less than four months prior to the meeting at which such election will occur, and then the Chairman only can run in an election for Chairman. The Secretary shall transmit a copy of any such notice to all members of the Board of Directors within five days of receipt of such notice of intent from the Chairman.

RE: Replace Paper Proxies with an Online System

Discussion

This proposed bylaw amendment replaces paper proxies with an online system. An online system will:

- Reduce rejected proxies. Over the past five (5) conventions 433 (14.3%) proxies were rejected. See Table 1 below and proxy reports.
- Reduce the manpower requirements of the Proxies & Credentials Committee. Currently there are 32 members.
- Ensure that proxy givers know who is carrying their proxy.

The Rules Committee recommended “NO PASS” at the Fall 2025 Convention because of security concerns. We have online systems for delegates to make delegate appointments and to nominate candidates for statewide endorsements. A secure system is doable.

Section 2.02.03 Quorum, Proxies and Voting

(B) Proxies.

- (1) At any meeting of the Committee, any regular, appointive or associate delegate may be designated as a proxy for up to two delegates. At any meeting of the Committee, any such proxy or proxies shall be submitted to the ~~Chairman or the Chairman of the~~ Proxies ~~Portal and Credentials Committee~~ no later than 12:00 noon the day preceding the business session.
- (2) Proxies for any convention or meeting of the Committee shall be ~~in the form prescribed~~ done online in accordance with the procedures set by the Board of Directors ~~and shall be made in writing under penalty of perjury by the person giving the proxy. The use of a photocopy of an approved form shall not be a reason to invalidate the proxy.~~ The online procedures must be secure and include:
 - (a) Verification by the proxy giver under penalty of perjury by eSignature or passkey or other secure method.
 - (b) Proxy givers can update or revoke their proxy until the deadline (Section 2.02.03(B)(1)); the latest submission overrides previous ones.
 - (c) Proxy holders and givers receive notifications when assigned or removed.
 - (d) Proxy holders must accept via eSignature, passkey or other secure method.
 - (e) Delegates have access to the list of proxy givers and holders to include name, county and region of both the giver and holder.
 - (f) Paper proxies will not be accepted.
- (3) ~~A person who has granted a proxy in the prescribed form may revoke or change a proxy only in writing under penalty of perjury. Where more than one proxy is given by a delegate, the one dated subsequently shall be given effect over the one dated earlier. Any writing which revokes or changes a proxy must be received by the Committee not later than the date and time set forth in subsection 2.02.03(B)(1), and shall indicate the name of the person whose proxy is revoked, the date said proxy was given, and the name of any person or agent to whom the proxy form was given.~~
