

2026 California Republican Party Convention Campaign Sign Policy

Candidates/campaigns may hang promotional signs in the meeting space at the Sheraton San Diego Resort for the 2026 California Republican Party Convention.

The following guidelines will apply:

Sign location and guidelines

- Signs can be posted no earlier than Friday, April 10, 2026, at 7:00 AM
- **Sheraton San Diego Resort** – Approved sign locations:
 - Pacific Jewel Ballroom Foyer, Silver Pearl Ballroom Foyer, Coral Foyer, Seascape Foyer, and Stairwell from Seascape to Corals.
- **Do not post signs in the following areas:**
 - Do not post signs on any ballroom/meeting room doors, existing artwork, registration counters, windows, mirrors, or pillars.
 - Do not post signs inside meeting rooms.
 - Do not post signs in the hotel lobby, elevators, restaurants, restrooms, or any other public space.
- Signs can **only** be posted using **Scotch Brand Blue Painter's Tape**:

- Campaigns are responsible for removal/disposal of their own signs after General Session on Sunday, April 12, 2026.
- Signs that contain any inappropriate, anti-Republican, or anti-California Republican Party language or images are prohibited and will be removed/disposed of.

Size and types of signs

- Standard, handheld, campaign rally sign size is acceptable.
- Free standing, three-sided floor signs are acceptable.
- Anything larger than what is outlined above, must have prior approval from the California Republican Party*.
- Any digital signs must have prior approval from the California Republican Party*.
- Signs that require an easel are not permitted.

* Please note: If you have been approved for an exhibit table at the convention, you do not need approval from the California Republican Party to post larger/digital signs at your designated exhibit table. All signs must be contained to your assigned exhibit space and not interfere with adjacent exhibits.

Signs posted that do not follow this policy will be removed. Please email convention@cagop.org if you have any questions.
